

City of Gosnells Library App - How to Guide eLibrary

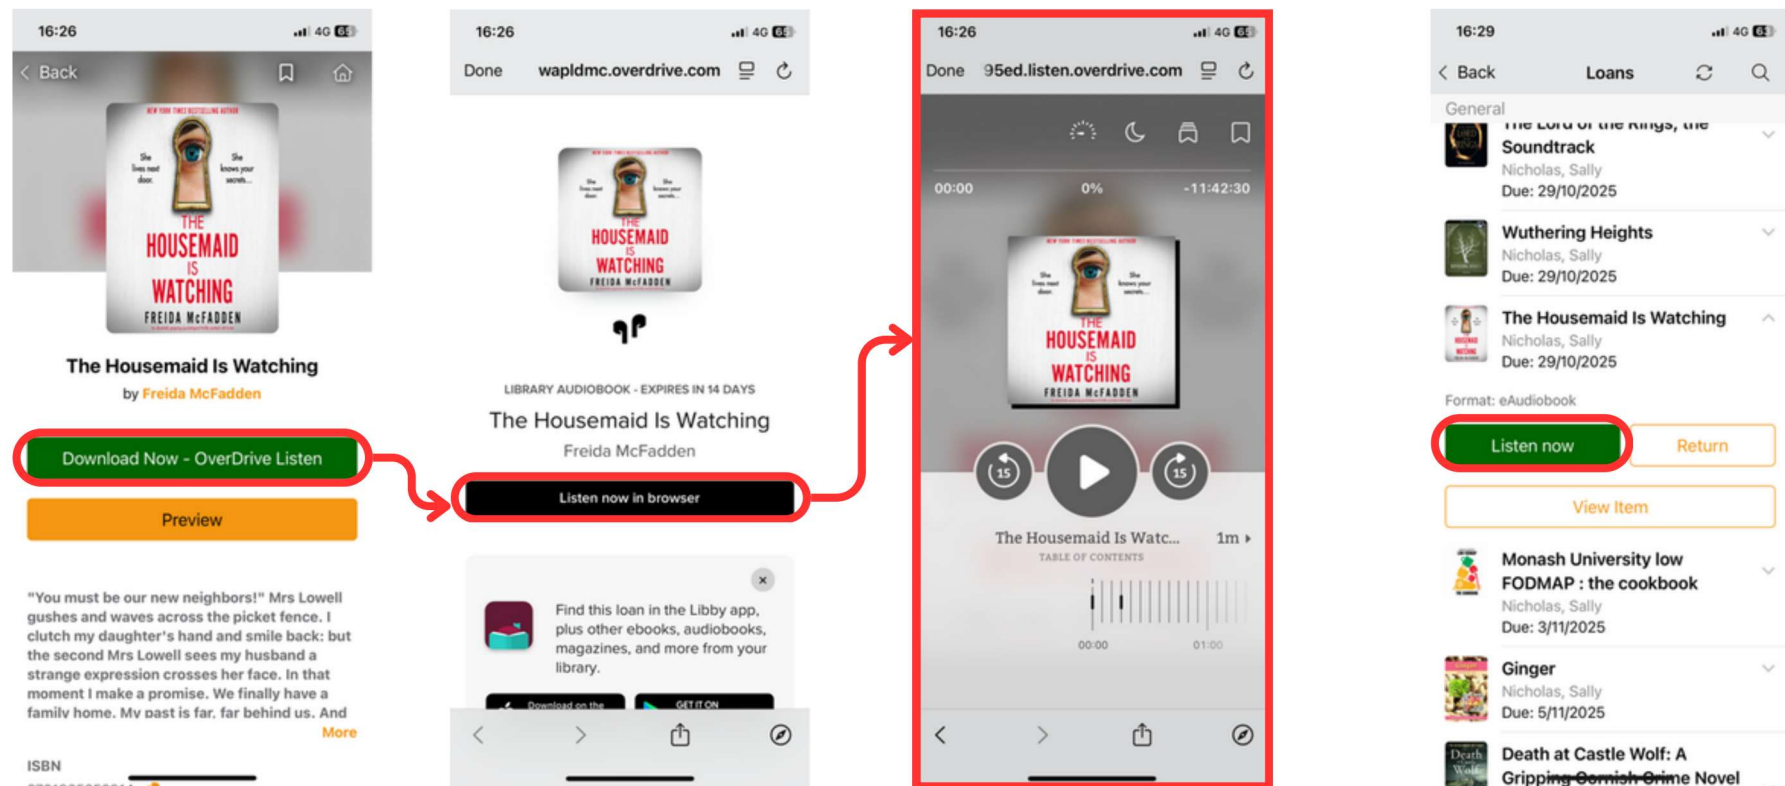

Accessing eBooks & eAudiobooks within the app

Many eBooks and eAudiobooks* can be accessed immediately using the app's integrated e-reader, **without having to log in to a different platform app such as Hoopla or Libby.**

Search the catalogue for the title you want. On the book's page, click **Download Now**, then **Read/Listen now in browser.**

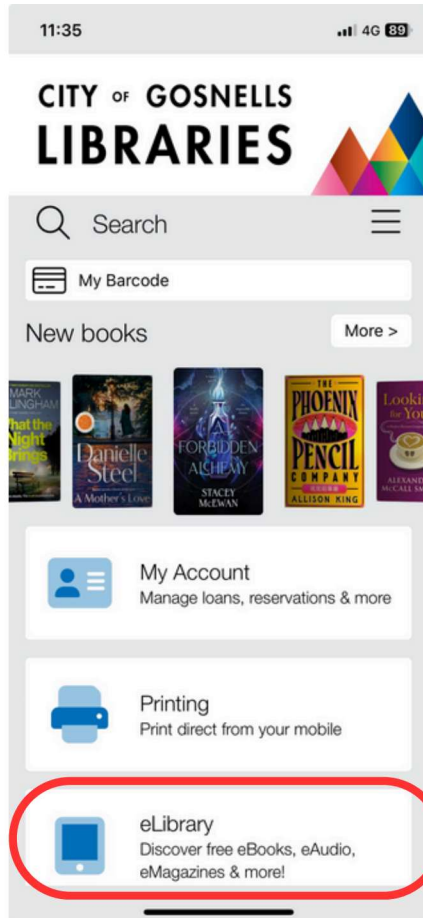

Borrowed digital items appear in Loans where you can **Read now / Listen now** or **Return** the item.

*This is currently only available for Hoopla and OverDrive/Libby items
